Beyond Fashion

Get to know local forward-thinking designers dressing us for the eco-fashion trend. For some it seems that the only way we can face the future is by recreating the past. Revisit blasts from the past that have come back to haunt us. From shoe offerings, to little black dresses, Houston has it all. You can look great, and buy locally.

Because of the recent economic crunch, welcoming fall is not as happy as it could be for some fashion fiends. Watching your pennies leaves little to spend on the "it" gear of the season. Even still, you want to add to your wardrobe and stay current. The Red Pub fashion issue takes the fashionista through a wardrobe of options to choose from.

Houston has a lot to offer to the world of fashion. There isn't much one of the largest cities in the country lacks!
